Agricultural/Bulk Water Service Application

Bulk Water Service Application Notice

This application serves as a formal request to access the City of Grass Valley's bulk water filling station. Submission of this application does not guarantee approval or obligate the City to provide service. By signing below, the Applicant agrees to comply with all current and future rules and regulations established by the City's governing body and posted at the bulk-fill site. Each account is limited to a maximum of 100,000 gallons per month. If your usage is expected to exceed this amount, please contact the City in advance so that accommodations may be considered. A log-in book will be maintained at the site, and the Applicant is also required to maintain a personal logbook for their own records.

Access and Authorization:

Per discussions with the designated authority for the City of Grass Valley, you will be provided with a code to access the bulk water fill station lock **after** this completed application has been submitted to City Hall.

Account Responsibilities:

The individual signing this application will be responsible for all charges associated with this account. The applicant must track and report the total number of gallons used each month, either in writing or via email, to the City of Grass Valley. Please remember that the bulk-fill station is not a mandatory service but a discretionary accommodation.
