## June 2026

### UPCOMING EVENTS

#### GRASS VALLEY CITY COUNCIL NEXT MEETING

**Monday July 6, 2026** Grass Valley Market Annex **7:00 PM** Join via Zoom — visit the Government tab on our website and click the meeting link. Stay Informed. See you there!

**FARMER'S MARKET** at the Grass Valley Park -  
**Saturday, June 13. 10AM to 1PM**

**\*HANS THE PRODUCE GUY** in GRASS VALLEY

**Thursday June 4, 4:30-6PM** (Rainier Cherries & More!)

### June Gardening Tips (Grass Valley, Oregon)

**Deep water early in the morning to conserve moisture. Pull weeds regularly and use mulch to retain soil moisture.**

**Heat-tolerant vegetables** like tomatoes, squash, and beans grow well in June as well as herbs like basil, dill, and parsley.

**Existing Perennials:** Support Tall Plants: Some perennials start getting top-heavy. Stake them now before they flop over. Examples **Delphiniums, Tall Shasta Daisies, Bee Balm, Peonies**. Avoid spraying insecticides when flowers are blooming. Great June bloomers for pollinators include: **Lavender, Penstemon, Yarrow, Salvia, Catmint**.

### Fire Season Preparation – Property Maintenance

Thank you to everyone who has been working hard to maintain their properties and reduce fire hazards throughout our community. Your efforts help make our city safer for everyone.

The City has recently sent notices to properties that still have fire hazard concerns. We appreciate those who have already taken steps to address these issues and encourage anyone who has not yet completed the necessary maintenance to do so as soon as possible. Removing tall grass, weeds, brush, and other combustible materials can significantly reduce the risk of fire spreading.

While we cannot predict what this fire season may bring, we can all do our part to be prepared. Thank you for helping keep our community safe.

### 2025 Consumer Confidence Report (CCR)

The 2025 Consumer Confidence Report (CCR) is now available upon request at City Hall or on the forms page of the City's website.

Grass Valley continues to enjoy safe, clean drinking water, and our water system does not require chlorination. Access to quality water has always been one of our community's greatest assets and is part of the reason Grass Valley earned its name. We are proud of our water system and remain committed to protecting this important resource for our community.

### Important Burn Pile Notice

The burn pile is for **natural vegetation only**. Illegal dumping of garbage, construction materials, treated wood, plastics, or other non-organic waste is strictly prohibited and may be subject to enforcement under :

**ORS 164.805 which prohibits the unlawful disposal of waste or litter on public or private property and may result in criminal penalties.**

### NEW: ONLINE WATER BILL PAYMENTS ON OUR WEBSITE

GO TO: [www.grassvalleyoregon.com](http://www.grassvalleyoregon.com) Click on [green payment button](#) at the top left of the page. Pay with credit card, google, or apple pay. One month per transaction: Multiple payments allowed on the same day to pay ahead or catch up.

\*Online payments include a 5% processing fee, which helps cover the cost of providing this service.

Be sure to check out the [City's website](#) for all Ordinances & Resolutions. We post Upcoming Meeting Agendas, City Council Meeting Minutes, Forms pertaining to the city, copies of past & current City Newsletters and MORE! [www.grassvalleyoregon.com](http://www.grassvalleyoregon.com)
