Mitchell City Park & RV/Tent Camping

Welcome to Mitchell – Gateway to the Painted Hills!

We hope you enjoy your stay.

If you are staying in the Park or at the RV sites, here are some

Things You Need to Know:

- RV spaces are rented at a rate of **$30.00** per night. Tent camping in the park is **$15.00** per night per tent. **If you do not have a Reservation, payment is expected upon entering the Park to camp.** Camping Fees are collected daily.
- **PLEASE, DO NOT TAKE A RESERVED SPACE TO CAMP!** Your vehicle may be towed at owners' expense.
- **Check Out Time is 11:00am.** Failure to Check Out by the posted time may result in additional fees.
- Please fill out the required information on the front of the envelope, enclose the appropriate fee and place it in the drop box below. Payment is accepted via cash or check without a prior made Reservation.
- Dogs are permitted in the park; however, the city does have a dog ordinance which requires that dogs be kept on a leash. Please observe the designated dog walking areas and clean up after your pet.
- Due to intense fire hazard, no open fires are allowed in the park from June 1st through October 31st.
- The nearest RV dump station is in Prineville, 47 miles to the west or John Day, 69 miles to the east.
- Unfortunately, there is no camping (RV or tent) allowed at the park during Labor Day weekend due to the Painted Hills Festival which is held in the park. Campers must vacate the park on Friday morning of Labor Day Weekend by 8:00am, and may return on Sunday after 12:00pm.
- Please be courteous and help maintain a **"Quiet Zone" at the park after 10:00 p.m.**

Thanks for staying with us. Be sure to check out the Painted Hills State Park. You can also enjoy some good fishing (in season, of course) and swimming down on the John Day River.

Please come again!
